All investments are based on a calendar year. Membership investment for any year runs from January 1 to December 31 of that year.

Your Business Membership Investment may be a deductible business expense for Federal Tax Purposes.

I attest the above information is correct, and by placing my signature upon this document, I understand that Chamber Membership is continuous year to year, until I submit a written resignation. Further, it has also been explained to me that our annual investment is paid the first of every year. If I have joined after the first quarter of the current year, I submit the total annual investment upon joining. Renewal investment are due the first of each calendar year.
